

SAPMA Model Club

South Australian Plastic Modeller's Association (established 1979) is Adelaide's premier scale model club and host of the Annual SA Scale Model Expo. SAPMA is open to all modellers, regardless of standard and interests (from armour to aircraft, cars to ships as well as sci-fi / fantasy). Modellers are invited to join us for an exciting program of modelling activities, which includes "how-to" modelling demonstrations, swap & sell and special interest group theme projects. Remember to bring along your "work-in-progress" and finished modelling projects.
